

# IPFUSION

TO INNOVATE IN THE  
PURSUIT OF SIMPLICITY

SAFETY | AWARENESS | CONTROL

## SEAMLESSLY INTEGRATES UNRELATED SYSTEMS THROUGH ACTION-BASED WORKFLOWS

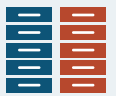

**IPFusion** enables coordination and integration of different systems and processes that were never designed to function together, no matter the brand or age.

**IPFusion** brings together unrelated systems, like physical security, access control, office automation, water and electricity, into a single dashboard - saving you time and money.

**IPFusion** eliminates system complexities and enables action-based workflows to reduce human error. It gathers data into a single dashboard for real-time, actionable awareness and insight.

**IPFusion's** automates standard operating procedures providing safety, security and control.

**IPFusion** enables like functionality through ageing infrastructure.

**"IPFusion** - Getting the right information to the right people at the right time"

# WHAT YOU GET >>>

- Complete operational awareness and control
- Reduced human error
- Increased efficiencies
- Cost saving
- Vendor neutral
- High performance and availability
- No scripting or coding required

## HEALTHCARE

Nurse call systems | Communication systems | Real-time locating systems (RTLS) | Patient telemetry | Sophisticated, smart medical devices | Clinical systems | Intercom & paging system

## PHYSICAL SECURITY

Access control | Alarming | Video surveillance | Perimeter and intrusion detection | Duress | Critical incidents | Intercom and paging systems | Fire detection systems

## INFORMATION TECHNOLOGY

Network Switches | Servers

## FACILITIES / UTILITIES

HVAC | Elevators | Power / Electricity | Lighting | Water Consumption/Control | PLC
